

## Cavan Monaghan Barn Quilt Trails

# Host Application Form

The Cavan Monaghan Barn Quilt Trails Committee is looking for 30 hosts with appropriate locations to install barn quilts. Each barn quilt will 'tell a story' related to the host's barn, farm, family or property. Barn quilts can be installed on barns, homes, community buildings, and on posts. The blocks will be connected by a trail that makes its way through the Township.

Hosts will work with our Design Committee to select or create the quilt block design that best tells their story. A writer will help tell the story.

Additional information, including design and site guidelines, can be found on the Host Information Form. If your location is selected, an agreement outlining responsibility and ownership details will be signed.
