

## Cavan Monaghan Barn Quilt Trails

# Host Application Form

The Cavan Monaghan Barn Quilt Trails Committee is looking for 30 hosts with appropriate locations to install barn quilts. Each barn quilt will 'tell a story' related to the host's barn, farm, family or property. The blocks will be connected by a trail that makes its way through the Township.

Hosts will have the option of working with a quilter/artist to select or create the quilt block design that best tells their story. A writer will also be available to help tell the story.

Additional information, including design and site guidelines, can be found on the attached page. If your location is selected, an agreement outlining responsibility and ownership details will be signed.
